

UNITED STATES GOVERNMENT

# *Memorandum*

TO : Chief, GSD

DATE: 11 December 1964

FROM : DAD/S&D

SUBJECT:  
25X1A

I believe that  understands what we are interested in with regard to LASERS. A continual stirring of the pot will probably result in confusion. Unless we have something specific which we want to accomplish I think the visit at this time would be inadvisable.
